Maximum weight is strictly 120kg or 18.8 stone. Minimum weight 35kg.

## Bungee Jump

Minimum age is 14 and under 16's require a parent or guardian to be with them to sign the acknowledgement of risk. Over 65's require a letter from their doctor stating they are in a fit condition to jump.

Minimum weight is 35kg or 5 stone 7lbs, Maximum weight is 145kg or 22.8 stone.

The platform is very sheltered and tucked under the bridge and protected from the elements. We have never cancelled a jump day since we started operations and we have jumped in some pretty horrible weather. If the event were to postpone you would get a phone call.

## ***Meeting time***

Please be at the Killiecrankie Visitor Centre 30 minutes prior to your allotted time slot. Due to the popularity of the event Highland Fling are very heavily booked. If you are late we CANNOT guarantee that you will be able to take your jump.

## ***Parking***

Highland Fling urge any cars parked at the Killiecrankie Visitor Centre to please support the National Trust for Scotland by paying the £3 parking fee. At the jump site please ensure spectators stay on designated paths, behind all barriers and take any rubbish away with them.

## ***Directions***

Do not go to the bridge – go directly to the Killiecrankie Visitor Centre.
